Kahaila impact
LONDON?

Key Text - Isaiah 61: [Read Here](#)

Below are links to resources that go with the talk.

Discussion/Reflection Questions:

What excites you about living in London?

What do you find difficult about living in London?

If you could change one thing about London what would it be?

What do you see as the biggest social injustices in London?

Why do you think it is important for Kahaila to expand its vision for the whole of London rather than a part of London?

If we see Isaiah 61 as a kind of blueprint for establishing the kingdom of heaven here in London, what in this passage excites you the most and what challenges you the most?

In establishing God's Kingdom here in London, where and how would you start?

Find or draw a map of London. Reflect on who you know in the different areas of London. Perhaps spend some time reflecting/reading about particular areas of justice in those parts of London. Draw/write these on the map and pray for them.
