Below are links to resources that go with the talk.

Discussion/Reflection Questions:

What comes to mind when you think about leadership?
What kind of qualities would you want to see in a leader?
How might a Christian view of leadership differ from a wider societal view?
How did you feel about the image of an oak tree as a metaphor?
(If you feel comfortable: - What are you passionate about? What are you good at?)
How can we help people to be able to identify their strengths and passions?
What kind of things could we do in Kahaila to help people grow as leaders?
What impact might this have on our surrounding communities?

Create:

Draw/paint/create an image of a tree. You could use natural resources, sticks and leaves, if you have access. As you are making the tree, reflect on the things that have helped you to grow. Spend some time thinking about your gifts and passions and thank God for them.
